

# ADOBE PREMIERE PRO & AFTER EFFECTS COURSE

45 DAYS PRACTICAL COURSE IN JAIPUR

[www.skillupgrade.in](http://www.skillupgrade.in)

## Course Overview

### Create Pro-Level Video & Motion Content with Adobe Tools

Want to become a **video editor and motion graphics expert**? This 45-day professional training by SkillUpgrades is your complete guide to mastering **Adobe Premiere Pro and After Effects** — the industry's top tools for editing and animation.

You'll learn how **to edit cinematic videos, create animated titles, design visual effects, and produce high-quality motion content** for YouTube, Instagram, reels, brand promos, and more.

Perfect for content creators, freelancers, editors, designers, and social media professionals looking to level up.

## What You'll Learn

- Adobe Premiere Pro: cutting, trimming, transitions, and sequences
- Color correction, cinematic filters, LUTs, and sound design
- Timeline organization, multi-camera editing & B-roll
- After Effects: motion design, animated titles, lower thirds
- Logo reveals, visual effects, motion typography
